

Subject: Change to Coeus Questionnaires

Date: Friday, June 5, 2015 at 11:30:28 AM Eastern Daylight Time

From: ORIS

To: Coeus-Help

Greetings, Coeus Users.

You are receiving this email after having indicated you wish to receive Coeus-related information from ORIS from time-to-time.

In an effort to reduce the burden of answering compliance questionnaires, the following changes will be implemented as of this coming Monday, June 8, 2015:

- The System-to-System Questionnaire (S2SQ) will be presented only when a PD contains an active link to Grants.gov. Note that if other questionnaires are completed prior to linking to Grants.gov, a validation error will direct the user to answer the S2SQ prior to routing for approvals.
- The Mandatory Compliance Questionnaire (MCQ) has been edited to remove questions that pertain only to certain types of proposals. There are a total of 8 basic questions, which, dependent on answers provided, may trigger additional questions to be presented. This “branched logic” is not new, however the number of basic questions presented has been reduced. This questionnaire will be presented for every Coeus proposal.
- A new Conditional Compliance Questionnaire (CCQ) has been created. This questionnaire contains questions formerly presented for all proposals, but relevant only to certain proposal types (New, Revision, Resubmission, Task Order & Supplement). There are a total of 6 basic questions which, as with the Mandatory Research Compliance Questionnaire, may trigger additional questions to be presented.

Regards,

ORIS
