Greetings,

You are receiving this notice as part of the Coeus list-serve audience.

**A general Coeus User Seminar is scheduled for May 20, 2016 from 9-11. The seminar will be located on the Homewood campus, in Mudd Hall, room 100.**

The Coeus User Seminar is an informal meeting that takes place every 2-3 months, alternating between the Medicine and Homewood campuses. It is designed to be a chance for current users to interact with ORIS personnel and each other to review functionality, ask questions and discuss topics of interest to proposal preparers.

**If you intend to attend, please reply with “yes” in the subject line.** We often have materials to distribute, and it’s helpful to have an idea of how many people will be joining us. A reminder regarding this meeting will be sent out on Monday of that week, but mark your calendars now!

Regards,
