Greetings.

You are receiving this message because you are part of the Coeus list-serve.

Significant changes to the Coeus Questionnaire process will be implemented tonight.

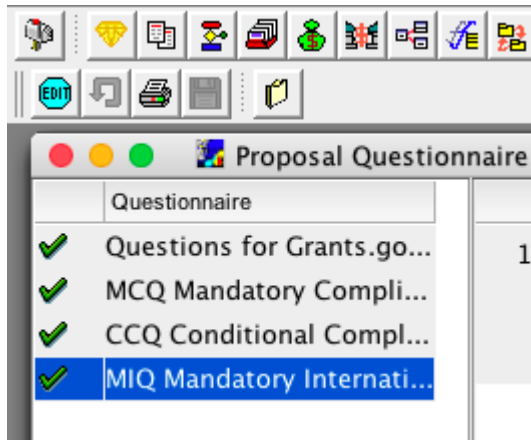

- New **icons** on the second row in Coeus Premium.  
The new “Q” icon will allow users to print out a full copy of the applicable questions for a given proposal. This questionnaire form is in response to our many users who wished to be able to see all of the questions in one place and print them out.

**IMPORTANT NOTE:** *In order for the Questionnaire form to print showing all appropriate questionnaires and header information, the proposal details and connection to Grants.gov (if applicable) should be present.*

An example of the questionnaire header is below:

- New “**Mandatory International Questionnaire**” (MIQ) containing export control questions. These questions have been removed from the Mandatory Coeus Questionnaire (MCQ).

- Clarified language in the questionnaires in response to the user community.

Regards,
