Greetings.

You are receiving this message because you have a Coeus user account.

This is a quick reminder regarding the Coeus replacement software presentations scheduled for June.

**The second presentation is tomorrow, June 18, when we welcome Kuali.**

The session will take place at the School of Public Health, in Sommer Hall:

- 8:00 am -10:00 am: Back Office (covering configuration)
- 10:15 am -12:00 pm: User Experience/Functionality

All vendor sessions are open, and we welcome your feedback for any sessions you attend via a short survey available at the presentation or online.

You also can view the presentation live, [HERE](#).

Please complete the feedback survey online, [HERE](#).

You also are welcome to email questions during or after the presentation to [Coeus-help@jhu.edu](mailto:Coeus-help@jhu.edu). Questions will be asked after the presentation, time permitting. Other questions will be communicated to the vendors and posted at their individual presentation pages on the Coeus Replacement Timeline site, [HERE](#).

The presentation schedule can be viewed easily from the "Coeus Replacement Info" link in the top menu bar of the ORIS [website](#).

We look forward to seeing you there!
