Greetings!

You are receiving this message as part of the Coeus List-serve.

Changes to the Coeus Questionnaires will be implemented tonight. Any time changes are made, they are precipitated by changes in regulations/policies of either government or university groups. Note that if you have a proposal in progress and have already completed the questionnaires, but have not submitted for approvals, you may need to complete the questionnaires again in order to capture the newly required information.

The attached documents reflect the changed information and where certain questions have been moved.

Regards,
