Greetings!

You are receiving this message as part of the Coeus list-serve.

ORIS wants to make sure you're all aware of some new help resources, "Snapshots," that have been added to our website. New snapshots continue to be added as developed or as issues are identified.

The idea behind the snapshots is that they provide fast, easy to find directions for performing common actions or solving common problems. They are located at the Guides page at the ORIS website (link in signature).

To see the current snapshot links, click [HERE](#).

Best regards,
