Calculate & Save

Changes can be made to the Start and End Dates for each line. Budget Periods can be added and deleted as well.

To add a budget period:

- Click on **Add Period** on the right side of the screen. 
- Click on the **Add** button.

To delete a budget period:

- Click on the **Delete** icon next to the chosen budget period. 

NOTE: The budget dates must match the start and end dates entered on the **General** tab.

- Click on the **Calculate & Save** button  in the bottom right corner.

NOTE: The **Calculate & Save** button only saves changes made to the **Budget Summary table**, not the budget information at the top of the screen.

- If comments are needed regarding the budget, click on the **Comments** tab in the menu bar.

- Choose **Budget** from the **Comment Type** dropdown list. Click on **Add** when satisfied with the comments entered.

To Print the Budget Summary:

1. Click on the **More Actions** icon  in the upper right corner.
2. Choose **Print Budget** for the dropdown list. The **Print Budget** option will not be available until the budget information has been entered.
