

Coeus Replacement

FIBI TRAINING PROGRAM

Begins August 21, 2023

In preparation for Fibi go-live, ORIS presents a comprehensive array of opportunities to introduce, learn and practice developing proposals in Fibi.

INTRO SEMINAR SESSIONS

The Introductory Seminar Series provides an in-depth video demonstration of proposal development, and creating PD/IP/Award service requests. Sessions are followed by an hour of live Q&A and further demonstration, as needed, by ORIS staff. Register through MyLearning at the [JH Portal](#).

The same [seminar](#) is available for viewing anytime at the ORIS website.

ONLINE & SELF-PACED

ORIS offers the [Introductory Seminar](#) online for convenient viewing, as well targeted 1-5 minute learning videos. The shorter "[Fibi Quick Tour](#)," is 25-minute introduction to Fibi. These are available at our website, oris.jhu.edu.

Printable "Snapshots" are short, targeted information for common functions in Fibi.

Full-length guides are available.

CLASSROOM INSTRUCTION

Register for Fibi classroom instruction through MyLearning at the [JH Portal](#). Check the MyLearning catalog or the [ORIS Calendar](#) for a listing of available dates.

Classes are offered several times per week beginning August 28th through the period prior to go-live.

FIBI GO-LIVE

Fibi will officially replace Coeus this fall.
October 23, 2023
