Greetings to all Coeus Users!

As you know, Fibi launch day is October 23, 2023, this coming Monday!

There are some important things to keep in mind as we approach this transition:

1. Coeus will be unavailable from Friday, October 20th at 5pm through Monday, October 23rd at 8:30am.
2. PDs to be migrated:
 - a. All PDs with the status submitted,
 - b. PDs with statuses In progress, Recalled, or Rejected with a sponsor deadline date between 10/20/2023 and 11/30/2023,
3. "Approval in Progress" PDs will be changed to "Rejected." These proposals will be migrated as long as the sponsor deadline date is between October 20th and November 30th.
4. **PDs not meeting one of the above criteria will not be migrated into Fibi.**

After Monday, October 23, 2023 at 8:30am, any creating, viewing, editing of PDs will take place in Fibi. Monday morning, please visit the ORIS website to open Fibi. From there, Fibi can be bookmarked from your browser in order to launch it directly.

Remember that the ORIS site has many targeted, easy, quick resources to learn how to use Fibi. Specifically, take a look at the Learning page!

Best regards,
