Greetings, Fibi Users.

This Wednesday, users will notice changes to Fibi Questionnaires:

- **Q1064 and Q1065** will be removed from the International Questionnaire.
- **Q1425, Q1426, Q1427 and Q1428** will be added to the Compliance Questionnaire.

The questions are referenced below to clarify.

- **Q1064** \_To the best of your knowledge, will there be any restrictions upon: a) the publication of project results, or b) the inclusion of foreign persons in some or all project activities?
- **Q1065** \_In the text box below, please describe the kind of publication and/or access restrictions that you believe will apply to the conduct of your project.
- **Q1425** \_To the best of your knowledge, will there be any restrictions upon the publication of project results?
- **Q1426** \_To the best of your knowledge, will there be any restrictions upon the inclusion of foreign persons in some or all project activities?
- **Q1427** \_In the text box below, please describe the kind of publication restrictions that you believe will apply to the conduct of your project.
- **Q1428** \_In the text box below, please describe the kind of access restrictions that you believe will apply to the conduct of your project.

Changes to questionnaires are instigated by the JHU Offices of Research Administration and Export Controls and Economic Sanctions. ORIS implements the changes to Fibi, accommodating the changing regulatory landscape. Questions regarding the content of these questions should be directed to these offices. Questions relating to Fibi functionality should continue to be directed to ORIS.
