Good morning, Functional Council Members.

I wanted to check in to see if you've all been able to access the forum and Smartsheet for SD testing and reporting. If you haven't done so already, please follow the link in the message copied below.

Remember that to launch SD for testing, just launch Fibi, and then enter the letters "SD" in front of the Fibi url: <https://sdfibi.johnshopkins.edu/fibi>

I'm still tinkering with this Forum format, so any feedback you have will be appreciated.

Regards,

Ellen

Good morning, Functional Council Members!

As discussed yesterday, we're going to try a little something different for testing and communication this time around.

The FFC page has a calendar of FFC activities and links, as well as the link to the Forum. The link to the FFC page is [HERE](#).
