Greetings, Fibi Users.

A couple of minor changes will go into effect this weekend; you may see slightly different behavior Monday.

1. Service Requests will have a slight change to their questionnaires.

This will affect:

- a. Unfunded Collaboration
 - b. Material Transfer Agreement, and
 - c. Modification of an Unfunded Contract.
2. Pre-award Requests will have a new question added.

Service Requests that were begun this week, but not completed, may need to have the updated questionnaires answered.

Regards,

The ORIS Team
