

Researcher Profile

Researchers can showcase their Educational Background, Research Interests, Published Works, Professional Associations & Certifications, CVs, Awards, and Honors. Other Support Documents can be warehoused in the Profile as well.

In Researcher Profile, the existing person data from Fibi can be viewed and new data can be added.

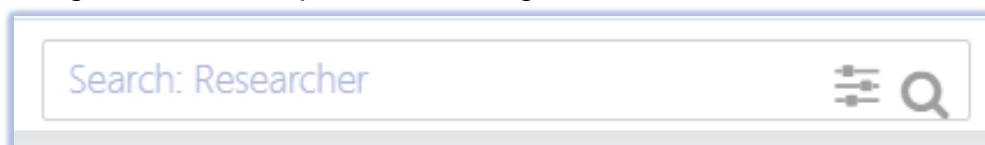

The Researcher Profile consists of the following sections:

- Personal Information
- Researcher Summary
- Education & Qualifications
- Awards & Honors
- Publications
- Media & Outreach
- References or Testimonials
- Collaboration and Partnership
- Professional Memberships
- Conference Presentations
- Attachment
- Professional Development and Certifications
- Teaching Experience
- Admin Features
- Search and Advanced Search Feature

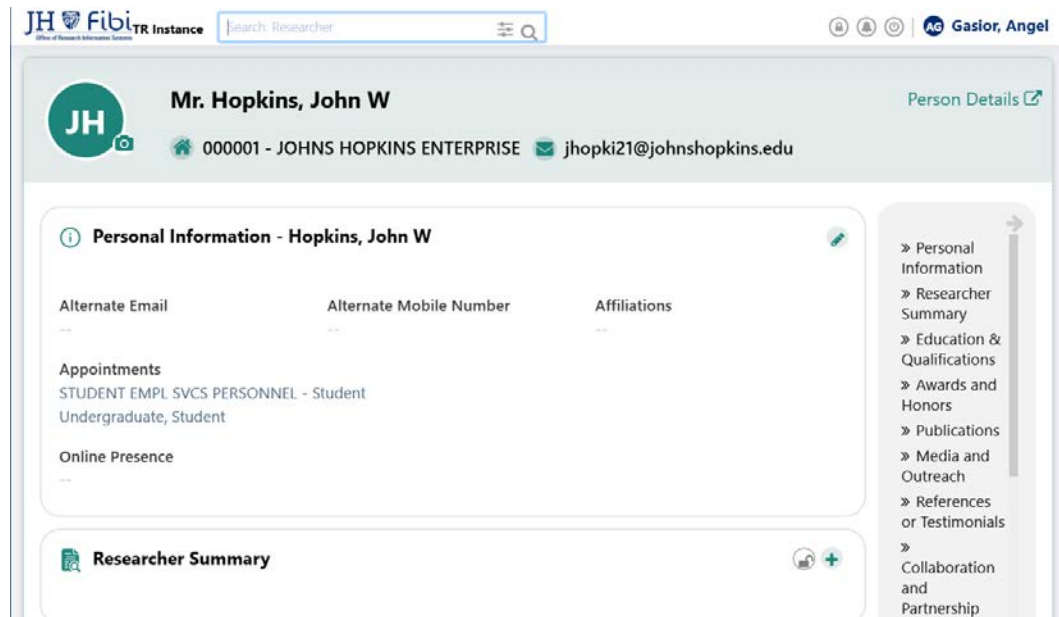

- Click on the username in the upper-right corner to open the user's Researcher Profile.

- Enter the Name or JHEDID of the Researcher in the Search field in order to change to a different profile if entering information for someone else.

The screen will look similar to the screenshot below:

❑ Enter information desired in each section by clicking on the add icon  .

❑ To make a section private, click on the lock icon  .
