Greetings, Fibi Users.

Tomorrow, May 23, 2025, the Funding Opportunity Field will be a mandatory field for all proposals seeking federal funding. The field has been on the General Tab in Fibi, the only change is that it is now mandatory.

If you have any questions about this new mandatory field, please direct them to your Grants Associate.

Regards,

The ORIS Team

The screenshot shows the Fibi web application interface. At the top, the user is logged in as 'Morthole, Ellen P'. The main header displays 'PD#226780 : TESTING ONLY - ELLEN' and the period '01/01/2026 - 12/31/2027'. The 'General' tab is selected, and a red arrow points to the 'Funding Opportunity Number' field, which is highlighted in pink. Other fields include 'Original Award #', 'Original Institute Proposal #', 'Proposal Title' (TESTING ONLY - ELLEN), 'Proposal Type' (New), 'Activity Type' (Organized Research), 'Anticipated Award Type' (Grant), 'Agency/Sponsor' (305374 - FOUNDATION FOR NIH (FNIH)), 'Proposed Start Date' (01/01/2026), 'Proposed End Date' (12/31/2027), 'Duration' (2 year(s), 0 month(s) & 0 day(s)), 'Prime Sponsor', 'Sponsor Proposal No', 'Sponsor Deadline Date' (12/01/2025), 'Internal Deadline Date' (11/24/2025), 'CFDA Number', 'Keyword of Research', and 'Abstract'.
